Dr.'s REMEDY consists of many shades of nail colours along with nail care products such as base coat, top coat, cuticle care and a nail hydration. Each product is infused with a special blend of ingredients selected by Dr. Cirilincione and Dr. Spielfogel. This blend includes: wheat protein, tea tree oil, garlic bulb extract and lavender.

Plus, it's the only nail polish to receive the APMA (American Podiatric Medical Association) seal of approval.

Dr.'s REMEDY highly nourishing formula can be used in conjunction with topical fungus medications and will not make the condition worse, unlike most nail polish products.
